COMMITTEE ON THE BUDGET

October 23, 2019

The Honorable Adam Schiff, Chairman  
The Honorable Devin Nunes, Republican Leader  
House Permanent Select Committee on Intelligence  
HVC – 304, The Capitol  
Washington, D.C. 20515

Dear Chairman Schiff and Republican Leader Nunes:

Pursuant to House Rule 11 and Committee Rule 14(f) of the Rules of Procedure for the House Permanent Select Committee on Intelligence, I am writing to request access to review the 03 October 2019 interview transcript of Ambassador Kurt Volker.

As the Representative of the people of the 17<sup>th</sup> District of Texas, I am obligated and entitled to review all relevant materials related to the Committee's misguided and obfuscated impeachment inquiry. Any attempt by the Democrat Majority to withhold information provided in Ambassador Volker's interview transcript betrays the trust of the American people. Shrouding information in secrecy behind closed doors is an affront to our democracy, raising questions to the legitimacy and fairness of these recent politically motivated attacks. Such actions would continue House Democrat Leadership's strong divergence from historic precedent of transparency during these so-called "impeachment" proceedings.

As a lawfully elected Member of the House of Representatives representing almost 800,000 Texans, it is important that I understand all of the facts with respect to Ambassador Volker's testimony before the Committee. In particular, in light of the continuing unethical leaks of information by Intelligence Committee Democrats, it is imperative that I and all other Members of the House have access to the full transcripts of all interviews obtained during this sham process. I appreciate the Committee's immediate consideration of this request.

With great respect,

Bill Flores  
Member of Congress
